

Concept note IX

Membership in CAS

CAS' terms of references

At the CAS meeting in Batumi, Georgia 2011 CAS adopted a set of Terms of References stating the following on CAS membership:

"In accordance with the Terms of Reference of the INTOSAI Professional Standards Committee, the CAS membership should be limited to approximately 15 SAIs. Decisions regarding membership are made at the discretion of the Chair. Access to membership should take into consideration the need for a broad regional representation in the committee.

Full committee membership requires partaking in activities related to Compliance Audit at regional level, participation in committee subgroups and hearings."

At present CAS has the following members:

- Norway (Chair)
- Brazil
- China
- Denmark
- European Court of Auditors
- Georgia
- India
- Lithuania
- Mexico
- Namibia
- Portugal
- Romania
- Saudi Arabia
- Slovakia
- South Africa
- Tunisia
- Ukraine

Ukraine

Due to the fact that Ukraine has not participated in CAS meetings nor communicated with the Chair or secretariat during the last four years, the Chair sent the Chairman of the Accounting Chamber of Ukraine a letter requesting whether Ukraine would still be interested in participating as a CAS member. The Accounting Chamber of Ukraine has not confirmed intentions of further membership in CAS.

Motion

As there has been no affirmative contact concerning membership from the Accounting Chamber of Ukraine, the Chair understands CAS should no longer consider Ukraine a member of the committee.

Further, the Chair will establish routines contacting committee members with no participation in committee meetings nor communication with the Chair or secretariat for two years similarly as in the case of Ukraine.
